Ag Shipper Workshops -- off-the-record, informal, round table discussion of the most pressing challenges facing exporters and importers.

**No press, ocean carriers or ports -- with the exception of invited high level carrier, labor guests and port sponsor.**  
*Discussion continues over lunch, which will be served mid-day.*

**AgTC Member Fee: \$45 Non-Member Fee: \$145**

We keep topics timely, and talk about any transportation concern you have! Here are a few:

- **Trade & Transportation Overview** – China tariffs; Japan opening; new US-Canada Mexico Agreement; low sulfur fuel and other emerging challenges for exporters. Discussion facilitated by:  
**Peter Friedmann, Executive Director, AgTC**
- **Ocean carrier service for Pacific Northwest shippers** – Alliances, mergers, new routes, free time policy – What we need from ocean carriers (and what they need from us). Forecast on the year ahead.  
**John Janczak, Assistant Vice President, MSC**  
**Ad Kolster, Regional Sales Manager, Refrigerated cargoes PNW, MSC**
- **Northwest Cargo Flow:** Terminal congestion, automation, trucking and rail solutions into terminals  
**Puget Sound Gateway**– Tacoma and Seattle terminals, carriers challenging terminals, congestion, clean truck mandate, peel-off and eDray  
**Load points serving exporters and importers**- Port of Portland's T6/BNSF Shuttle, NW Container Services, possible new load points in Willamette Valley, Eastern Oregon and Eastern Washington.
- **Free Time Penalties:** Detention, demurrage – profit center for the carriers and terminal operators? Federal Maritime Commission investigation.
- **Export (and import) Documentation & Compliance:** Customs & Border Protection penalties
- **Trucking Stress:** ELD and Hours of Service enforcement. More rail, less truck? Inland load points. Amazon's interest in match-back.
- **Labor at West Coast terminals.** AgTC's ground-breaking initiatives with ILWU.

**YOUR concerns + questions –encouraged throughout the Workshop. Discussion, not speeches!**
